

DOG LINE

LA QUALITÀ MADE IN ITALY

Dal 1989 Dog Line produce una linea di cappottini, borse/trasportino, cucce e cuscini "Made in Italy".

La scelta di tessuti di qualità, con una vasta gamma di colori, la rigorosa perfezione delle finiture, il design di ogni modello, oltre alle numerosissime taglie a disposizione, garantiscono la massima vestibilità, confort ed eleganza. La produzione è interamente eseguita nei nostri laboratori, e ciò permette il controllo costante di ogni singolo prodotto e ci consente di realizzare le quantità necessarie per ogni articolo.

Possiamo dunque affermare senza alcun dubbio che tutti questi "plus" hanno portato Dog Line a diventare azienda leader nel settore dell'abbigliamento e del confort per i vostri piccoli amici.

Since 1989, Dog Line produces a line of little coats, bag, dogbed and cushions that are "Made in Italy".

The choice of quality material in a vast range of colors, the perfect finishing touches, the design of each model and the numerous sizes available, guarantee maximum wearability, comfort and elegance.

Production is entirely undertaken in our labs, which allows us to constantly control each single product and lets us create the right quantity of each item.

We can therefore say without a doubt that all these "pluses" have led Dog Line to become a leading company in the sector of dog clothing and confort for our little pet friends.
